Personal Comments/ Further Information

Due to my wide range of professional experience, I am able to work as a restaurant specialist, barkeeper, wine waiter, DJ, event manager and promoter. Furthermore, I work for carnivals in Germany on a regular basis as well as for catering companies at Hahnenkamm Race in Kitzbühl, Nightrace in Schladming, German Polo on Sylt or at various wine events for example. I am also a DJ - mainly for Apres Ski, Schlagerfox, House and Rave in connection with my radio programme „Tanzcafe Deluxe“ on Mondays which I present. Of course I offer the setting up of playlists for the catering trade on their sound systems to be played whenever required. Last but not least, I like working as a shuttle-driver for VIP events.
